Sebring, FL 33870-7553

This event is held in the 12-hour paddock area on the south side of the track.

Directions

Enter the gate at Midway Drive and veer right toward the white guard shack (do not take a hard right or this will take you the wrong way – see map below). You will have to sign the waiver and get a wrist band when stopping at that check-point. After passing the checkpoint, follow this road over the bridge and select a parking location on the grass on either side of this road (see map for parking areas). There may be some areas designated as no parking due to the course setup, so please watch for these.

Registration/Check-in

After parking, find the timing tent for registration and/or check-in. Even if you have registered online, you must check in at the timing tent **before 9am** each day.

Minors

Minor drivers must have an SCCA minor waiver signed by both parents and notarized if filled out ahead of time. Minors with waivers on file from the 2011 calendar year are good to go.

Minor spectators must have a minor waiver signed by at least one parent or guardian.

Waivers are available on site or online here:
